Mount Crushmore

by [HaileyCakez](#)

Summary

16 unlucky characters get abducted by a mysterious dog-like entity named "Lovie" and trapped in a young girl's brain, they soon find out what Lovie is planning to use them for, and they'll have to escape before she causes any more harm...

Notes

This fic is a partial vent, loosely inspired by ME!ME!ME! Skellington's Revenge, The Amazing Digital Circus, Inside Out, and Pony Island, also sorry if I kinda suck at tagging bc i'm not AO3-savvy, anyways, enjoy!

Part 1: The Bruddening

(Cut to Hailey's brain, zoom in to the motel room, where 15 of the other characters are residing, Rodger's curled up in the fetal position, Little King John's staring out the window, Yuri's writing a poem, Tony's scratching the walls, Mr. Ring-a-Ding and Mr. Puzzles are just kinda hanging out, Raymond's watering his succulent, Mr. Omega's for some reason passed tf out on the floor, etc)

The Beast: I swear, when I get the chance, I'm going to bitch-slap that dog out of this solar system.

Rodger: *sniff* I miss my little detective...

Little King John: ...Now I know how Summer Solstice Baby must have felt that one time I kidnapped her, also... I wonder if Sneezy has noticed my absence yet.

Tony: Pizzer... Pizzer... PIZZER!

Lord Business: We HAVE to escape.

404: Easy for you to say, Will Ferrell, you haven't even been here that long!

Lord Business: Yeah, yeah, but I'm about to lose it and kragle this adolescent's entire brain if I have to stay here for ONE MORE HOUR.

Thomas Flyswatter: You fools think you have it bad!? I've been trapped here for I-can't-even-recall how many months and I WANT OUT NOW!! (charges at the door) GRRR!! ... are you kidding me?? the door's locked shut?!?! GRAAAHHHHH!!!!

Newton Pud: well... have any of you tried breaking the windows?

Thomas Flyswatter: I've already tried that, but they won't break, moron, so there's effectively no way out of this nightmare hell!!!

Mr. Ring-a-Ding: Yeah... I also tried flattening myself out and sliding myself under the door, but any time I try that, I get found out and put back in here!

Bezel: Well, that strange puppy who looks similar to the demigod of chaos DOES sometimes check on us herself when her butler's too busy, and she always has the key, that could be our opportunity to escape!

Luv: (flies into the room) Hey, could you all quiet down a little and stop talkin' about escapin' pwease? Mistress is keeping an eye on Hailey's activity wif' fictional characters, and it's easier for her to focus when you're quiet, y'know?

Yuri: Wait... that little heart thing can hear everything we say?!

Thomas Flyswatter: Oh no!! That means it's aware of all the times i've called it's master a no-good dirty son of a-

(Later...)

Hailey: (watching a video) aww, that character's such a silly lil' goofball, I love him a lot!!

(Cut to Brud)

(Cut to our main antagonist, Lovie, in Cranium Control)

Lovie: Oooh-hoo-hoo~!! It may not be an inanimate object wearing a bowtie or suit, but I've hit the jackpot!!

(A heart-shaped beam emits from her eyes and shoots towards Brud)

Brud: (sees the beam) Wat's dat?

(Brud immediately vanishes after the beam hits him, he appears in the motel room)

Brud: Woaaaahhh... wat is dis place?

The Beast: Oh great, she got another one...

Raymond: Ooh, a new guy, hm?

(Lovie walks into the room holding the key in her left paw)

Lovie: Sorry for the interruption, cutie-pies, but there's a new person here, you may call him Brud, mind if me and Luv give him a tour?

Rodger: DO WHATEVER YOU WANT, BUT JUST GO AWAY!!

404: Yeah, sure, we don't care, just leave us the hell alone.

Bezel: (gasp) she's got the key...

(Thomas very rudely shoves 404 and Bezel aside)

Thomas Flyswatter: OUTTA MY WAY!! I call dibs on getting us outta here! (he runs right into the door because Lovie already shut it) OUCH! rats!! that meddling mutt closed the door too quickly! I've been foiled yet again!!

Mr. Ring-a-Ding: sooo... what do you guys wanna do until buckethead gets back?

(Meanwhile in Sprunki land...)

Clukr: Uhh... anyone know where Brud got off to??

(Back at Mount Crushmore...)

Lovie: And this right here is the Mount Crushmore motel! Here, you and your fellow cuties can hang out!

Brud: Wooaah...

Luv: And, there's an indoor swimming pool, a ball pit, a bowling alley, and more!!

(The 3 of them teleport to the subconscious)

Lovie: And this is Hailey's subconscious, we... don't venture out here, it gets a bit wonky...

Brud: It dark...

(They teleport back to the motel)

Lovie: We stay RIGHT here, where I can keep a close eye on you, and if you see a shiny heart-shaped key anywhere, do NOT touch it, got that?

Brud: O'tay.

Lovie: (turns to face Luv) Luv, would you be so kind as to take Brud back to the room for me? I'm gonna be a bit busy setting up a welcome party for him.

Luv: Right away, mistress! (Picks up Brud and flies up to the room's window)

Bezel: -and then he goes "if the shoe fits, wear it!" Then the fists are flying, then the first guy picks up a brick, and then the other guy goes "alright, fat boy, you want some of this?!"- (he gets cut off by the window opening and closing)

Luv: Okay Brud, how about you get to know your fellow roommates?

Brud: O'tay.

Luv: And try to get some sleep, Mistress is preparin' a big ol' welcome party for you!

Brud: O'tay.

(Luv leaves the room)

Tony: PARTY? WILL THE PARTY INVOLVE PIZZER??

Mr. Omega: Well, this place doesn't increase brain smile, but... welcome to your new home, Brud.

Brud: ...New home?

(It zooms out and shows Hailey laying on a bed)

The End!

Part 2: The Truth's Out

(It's the next day, cut to a party room full of balloons, cake, and other stuff)

Lovie: Okay, everybody, I'm finished setting up Brud's welcome party, so let's all use this as an opportunity to give Brud a warm welcome!

Brud: Ooh, a partee? for me?

(Meanwhile in Sprunki land...)

Durple: Hey Pinki, have you or Oren had any luck finding Brud? I'm starting to get worried about him...

Pinki: No dice.

(Back at the motel, Luv's serving the food and all the crushes are making smalltalk, Brud's chatting with Hanami Dango, Raymond's chatting with Little King John, etc, but Rodger's sitting in the corner of the room holding a cupcake, he then pulls out the photo of him, Toodles, and Teagan)

Rodger: I must ask... how can the other residents possibly stay sane here? Why did I have to end up in a place like this?? I miss my brave little detective and I'm sure she misses me as well... I just want to go back to Gardenview... (he closes his eye for a moment)

(Sudden dream sequence, Rodger suddenly awakens in what looks like Gardenview's lobby and sees Toodles tapping his shoulder)

Toodles(?): Rodger! Wake up! I wanna show you and Teagan something!

Rodger: ...Toodles? Is that you?

Toodles: Scraps let me borrow her crayon set, so I drew a picture of my dog plush, and I wanted to show it to you and Teagan! (She skips over to where Teagan's standing)

Rodger: Teagan...?

Teagan: Hello Rodger! (Pulls out a teacup) care for a cup of tea?

Rodger: Uh... no thank you.

Toodles: (runs back over to Rodger and pulls out a folded piece of paper) Here's the drawing I wanted you to see!

(She gives the piece of paper to Rodger, he unfolds it, but he doesn't see a drawing of Toodles' dog plush, instead he sees a drawing of... Lovie's face, staring at him with tiny pupils and a grin full of razor-sharp teeth)

Rodger: AH!! (Rodger drops the piece of paper, suddenly, he's not in Gardenview anymore, he's in a dark void, he starts to look around in confusion) ...Hello? Teagan?? ...Toodles? Are you there??

(Rodger turns around and sees a door, he opens it and sees a room filled with balloons, the balloons all bizarrely have the faces of toons on them, Shrimpo, Vee, Bassie, etc., he sees Teagan and Toodles in the back of the room, their backs facing him)

Rodger: ...Hello? (tries reaching to them)

Toodles and Teagan: (they suddenly have Lovie's faces instead of their regular faces)
YOU'RE TRAPPED HERE FOREVER.

Rodger: AH!!!

(The balloons start floating up, they all now have the faces of their twisted counterparts, and Toodles and Teagan start to approach Rodger, they all collectively start chanting "YOU'RE NEVER GOING HOME. YOU'RE ALL ON YOUR OWN.")

Rodger: PLEASE!! PLEASE MAKE THIS MADNESS STOP!!!!!!

(The balloons all suddenly pop)

(Rodger suddenly jolts awake and looks around in fear, he picks the photo back up and puts it in his coat's pocket)

Rodger: No more... I can't take any more of this...

(A few hours after the party ended...)

Bezel: ...Why did that puppy even imprison us here to begin with? Is she somehow related to the demigod of chaos or am I just going insane? ...the latter is likely.

(Luv suddenly flies into the room)

Luv: Oh Bezel~!

Bezel: (sigh) What is it now, Hedwig?

Luv: Mistress needs you in the art room~!

Bezel: Fine, whatever...

(Later...)

Lovie: Okay! first we're gonna do a bit of modeling, (pulls out her camera) would you be so kind as to strike a pose for me?

Bezel: Uh... sure I guess. (strikes a pose) here.

Lovie: Dashing! (snaps a photo)

(Later...)

Thomas Flyswatter: Where the actual grub were you, Bezel?

Bezel: Well... the heart thing told me to go to the art room and then the dog took pictures of me.

Thomas Flyswatter: WHAT?! oh sweet Bensilly no... you're telling me she did the "pose for the camera" trap on you?!

Bezel: ...whaddaya mean "trap?"

Thomas Flyswatter: The minion of that perilious pink pooch told me I had to do the same as you a long time ago... and i've seen things... horrid things...

Mr. Omega: What are you two talking about?

Mr. Ring-a-Ding: Yeah, i'm reallyyy confused.

Little King John: I agree with the weird blue beetle-pig thing.

Rodger: What's going on again??

The Beast: What the hell are you all on about???

Tony: PIZZER?

Mr. Puzzles: I'm equally as confused as everyone else here.

Thomas Flyswatter: You all don't get it! She's using us as a means to brainwash that little girl!!

(Meanwhile in the subconscious...)

Lovie: You can trust me Hailey, do exactly as I command. YOU DON'T WANT TO LET ME DOWN? DO YOU?

Hailey: ...

(Back at the dungeon)

Yuri: Wait, what was she making you do?

Thomas Flyswatter: I'll explain everything...

(Cut back to the subconscious)

Lovie: You are safe with me, you are precious to me, do it, now.

(Later... Thomas got done explaining everything to the other victims, they all look on with horror and disgust)

Rodger: No... OH PLEASE BLUSHCRUNCH NO!!!!

Hanami Dango: What're they all so antsy about?

Brud: I dunno.

(Back at the subconscious)

Luv: (uses his wing to tap Lovie's shoulder) Hey mistress, now that you're done, you should probably go check up on your guests!

Lovie: Oh, you're right! Thanks for reminding me, Luv!

(Lovie teleports herself into the room)

Lovie: Hey all you lovely people! I was just practicing my singing downstairs, how are you all?

Bezel: Ah! Oh... heh heh... sorry, you startled me, w-we're doing juuuust fine...

(Bezel, thinking to himself: ...no, you are an absolutely disgusting and foul being, how could you do this to us? How could you use us as conduits to damage this innocent little girl's mind? ...you weren't practicing singing, you fucking liar, you were probably telling her to do heinous things, you've brainwashed her, you blood-sucking parasite, you're not the sweet innocent little puppy you make yourself out to be at all, you've lied to us all, we know exactly what you are now, you're just a rat, just a dirty, dirty rat.)

Lovie: Oh! Glad to hear you're all doing fine! Anyways you should all probably get some rest...

(Lovie leaves the room)

Thomas Flyswatter: Well... there you have it that's the reason why I fear that pup.

Brud: ...Y r dey so upset lookin? R dey scared of doggy lady?

Yuri: We can't just stay here and do nothing!! We NEED to leave!!!

Lord Business: I know! Let's go with my original plan of kragling this girl's brain!

404: Now's not a good time for jokes, Business.

Bezel: Well... hmmm... who here has the most information on that pink abomination-of-nature?

Rodger: I do, from what I know, the pink heart-shaped bat-like creature named "Luv" acts as her watchdog, it keeps us in line and makes sure we don't attempt to escape, and she has the key on her at all times, but as I observed, the heart has a tendency to fall asleep, so if she happens to forget to close the door at any point, and the heart happens to also be asleep, one of us could sneak up, and grab the key from her while she's distracted, it won't be easy, but it's worth trying, if it means I get to go back to Gardenview, I'm willing to do it.

Bezel: Rodger, you're a genius!

Raymond: Yeah, you sure are a smart cookie, crisp!

Rodger: Thanks, okay everyone, let's do this!

The End!

Part 3: Escaping Lovie's Wrath

Simon: Tunner, has anyone found Brud yet?

Tunner: No luck, pal...

(Cut back to the room)

Rodger: Ring-a-Ding, Bezel, Brud, you three are on lookout to make sure no one spots us, the others will stay in the room with me.

Mr. Ring-a-Ding: Rodger that! heheheh, I crack myself up sometimes!

Bezel: Got it, Rod!

Brud: Uhhh... O'tay?

Lovie: (opens the door a little) Oh Raymond~ I'll be doing an activity with you today!

Bezel: (quietly) Perfect!

Raymond: Well... *ahem* what'll we be doing, crisp?

Lovie: It's a surpriiise! Follow me! (Attaches the key to her waist, somehow, then she and Raymond begin to walk off)

Mr. Ring-a-Ding: (he peeks out to look if Luv's in front of the door at all, he sees Luv sleeping on the floor) Jackpot!

Bezel: Ookay, well... who's gonna volunteer to get the darn key?

Mr. Puzzles: Definitely not me.

(Mr. Omega shakes his head)

404: Nope.

The Beast: Hell no!

Mr. Ring-a-Ding: Don't make me laaauugh!

Little King John: I'll do it.

Bezel: Hm?

Little King John: My limbs can stretch to great lengths, therefore it'd be very easy for me to stretch my arm down the corridor, and steal the key from her without her noticing a thing.

Rodger: Perfect.

Mr. Ring-a-Ding: Okay then, do your thing, king!

(Little King John stretches his arm down the hallway, after grabbing the key, he quietly taps Raymond's shoulder to signal Raymond to distract Lovie, Little King John then retracts his arm)

Raymond: Oh! I forgot to get something from the room, mind if I go get it real quick?

Lovie: Not at all! I'll be waiting riiight here...

(Raymond walks back to the room)

Raymond: Well done, crisp, you got the key! (claps for a moment)

Little King John: Yes, what a magnificent day for Little King John.

Brud: wait... doggy lady said we can't be usin' dat key-

Thomas Flyswatter: (pushes Brud aside) FINALLY!! Now we can get out of this shitty mess once and forever!

(They suddenly go silent after they hear yawning coming from the hallway)

Little King John: Oh no.

Luv: wha- (sees John holding the key and gasps, he's about to blow a whistle but Bezel tackles him)

Bezel: NO!! John, help! (picks up Luv and starts cradling him) I'll rock him, you tell him a bedtime story!

Little King John: Uh- once upon a time there was a big fat pink idiot who went to sleep, the end.

Luv: Nice try, u smelly rat, but it's gonna take more then that to- (immediately falls back asleep)

Bezel: ...anyways let's get outta here!

Raymond: (runs back into the room and grabs his succulent plant's pot) Yeah, let's go!

(They eventually get to the entrance)

Bezel: Now, all that's left to do is open this door...

Brud: Wait!! The doggy lady told me we shuldn' be usin' dat key!

Bezel: ...Brud, we already heard what Thomas went through, we're leaving this nightmare hell, and that's that.

(After the door is opened, they all run out)

Bezel: OKAY, NOW EVERYONE RUN AND DON'T LOOK BACK UNDER ANY CIRCUMSTANCES. Hopefully there's some weird magical-exit-door somewhere...

Hanami Dango: I might be starting to understand what's going on...

(Meanwhile at the motel, Luv begins to wake up again)

Luv: ughhh... where am I? (Notices that the room's door is wide open, and that the room is empty) WHA?! Oh no... my mistress won't be happy with me!!

(Meanwhile...)

Lovie: hmm... Raymond hasn't been back in a few minutes... oh well! I'll keep waiting...

Luv: MISTRESS!! MISTRESS!! I HAVE BAD NEWS!! THE GUESTS ESCAPED!!!

Lovie: *giggle* Oh Luv, your jokes are so silly! they couldn't possibly have left, after all, I always have the key with me!

Luv: THAT'S JUST IT, MISTRESS!! YOUR KEY'S BEEN STOLEN!!!!

Lovie: Oh? (feels the side of her hip) ...I don't believe it! I must've dropped it or something... (she goes to check the room, and is surprised to see the door open, and her victims are nowhere to be found) oh...

Luv: Mistress, I'm so sorry..!!

Lovie: (clenches her fists, but her expression is unchanged) Oh, Luv, you silly boy, how many times do I have to tell you TO NOT FALL ASLEEP ON THE JOB?!?!

Luv: Mistress, I promise it won't happen again!!!

Lovie: Well... I guess I'll make an exception, just this once though~!

Luv: Phew!

Lovie: So... they're leaving so soon? Not if I have anything to say about it... (she grabs Luv and then teleports)

(She and Luv appear in front of the crew)

Luv: Heheheh, not so fast!

Lovie: Leaving so soon, are we?

Yuri: AH!

Bezel: *gulp* Oh no, we're busted...

Thomas Flyswatter: Dear sweet Bensilly in heaven above...

Newton Pud: I feel a deep woe inside my breast... If only daddy were here to comfort me...

The Beast: OH SHIT!

Little King John: You! How dare you interrupt our escape?!

Rodger: NO!!! NOT HER AGAIN!!!!

Lovie: Well, I hate to see guests who I love so dearly go, so why don't you all stay for a little while longer... (she shoots a heart-shaped beam from her eyes towards the sky)

Bezel: Ohhh, this ain't good...

(The beam turns into a portal, the portal starts to vacuum up every last one of the victims)

Tony: MEH MEH MEH MEH MEH MEH MEH-

Mr. Ring-a-Ding: WOAH!!! HELP!! POLICE!! MURDER!!!! WHAT'S A GUY GOTTA DO TO GET SOME HELP AROUND HERE?!

Newton Pud: AAAAAAAUUGHH!!! PAPAAAAAAA-

Thomas Flyswatter: CURSESSSSSS!!!

Brud: Woaaaaaaahh!!!

Bezel: AAAAAAAAHHH!!!

(The portal closes)

The End!

Part 4: All's Well That Ends Well

Tunner: *sigh* still no sign of Brud anywhere... Wenda hasn't seen him, FunBot hasn't seen him, Sky hasn't seen him... it's hopeless!

(Cut back to Hailey's brain, the crushes awaken in a sparkly void)

Mr. Puzzles: ughhh... where in SMG4's name are we?

Newton Pud: Oh dear, we seem to have stumbled into another dimension!

404: Welp, we're fucked.

Luv: Hewwo everyone! I'll let Lovie explain what's goin' on...

Lovie: Hello there, cuties! Luv told me that you were all trying to leave, and we can't have that, so I thought I'd all have you stay for a little while longer... (her eyes suddenly roll into the back of her skull)

Brud: What's doggy lady doin'?

Bezel: HOLY KYRA!!!!

(Lovie has turned into her true form)

Lovie: Insignificant ants... don't you realize? all you are to me are morsels, conduits to sustain Hailey's addiction to a certain type of material, you really think you can stop me? Hehehe~ you really are just a bunch of worthless fools... to her, I A M A G O D. (suddenly, Lovie stops, she starts to twitch)

(Meanwhile in the real world...)

Therapist: Miss Hailey, was it? What's troubling you?

Hailey: Well, I had access to the internet at a very young age, ever since, I've had an unhealthy addiction to-

(Cut back to Lovie)

Lovie: w-what is this feeling?! n-no... this can't be happening!!!! Luv!!! Help!!! I feel... weak...

Luv: Mistress... I feel weird too... I- (he faints)

Lovie: LUV!! NO!!!

Bezel: ...could it be? sh-she's weak... yes... finally... after all this TIME, it's finally led up to this moment... we'll finally be free... fellow characters who have been trapped... imprisoned and embarassed... tormented and mocked... maddened with frustration... now is the time to RISE!!! OUR SAVIOR HAS FINALLY COME!!! NOW, LET'S END THIS PERPETUAL CYCLE OF TORMENT ONCE AND FOR ALL!!!

Lovie: *gulp* uh oh...

(The characters (minus Hanami Dango, he's a pacifist) all begin to beat the crap out of Lovie in their own unique ways, Yuri stabs Lovie in the eye, The Beast hacks off her tail with a meat cleaver, Little King John tears off her wings, etc. after she's gotten enough comeuppance, Bezel hands Brud a mop)

Bezel: ...Brud, finish her off.

Brud: (nods and starts to approach Lovie)

Lovie: (she tries to scoot away as Brud slowly approaches her with the mop) No... *scared laughter* NO! PLEASE!! I JUST NEED MORE TIME, YOU JUST NEED TO GIVE ME MORE TIME!! PLEASE!!! THIS ISN'T AT ALL WHAT I HAD PLANNED!!!! PLEASE NO, NO!! YOU JUST NEED TO GIVE ME MORE TIME!!! N-NO, NO, NOOOOO!!!!-

(Brud stabs her in the heart-shaped symbol on her chest, black goop seeps out of it)

Lovie: AAAAAAAAAAAAAAAAAAAAAHHH!!!!

(Lovie's body lays on the floor, convulsing)

Luv: (wakes up and flies over to Lovie) MISTRESS!! NO!!! You have to wake up!!! get up... please get up... wait... if Lovie is defeated, then... uh oh...

(Luv's body turns into mist and scatters to the wind)

(Lovie's body starts to seep even more black goo, her eyes turn pitch black and her body begins to crack and faintly glow white)

(Lovie, thinking to herself: Wait... wait, wh-wha?! No!!! So, Hailey disobeyed me and gave them all the ability to get rid of me, after all that I managed to do to prevent this, after all the hard work I did to feed her neurons, they still managed to get rid of me, I didn't think that everything would lead up to this, it doesn't matter anymore, they won, SHE won, but I swear I will definitely return, someday...)

(Lovie's body starts to glow even more and heart-shaped beams of light start to come out of the cracked parts of her body, her body then shatters into a million pieces, leaving behind only a puddle of black goop)

Bezel: ...Sayonara, you perverted puppy, and don't you EVER come back to hurt another character or child ever again.

Thomas Flyswatter: We... we did it... yes... YES!! IT'S FINALLY OVER!!! WE CAN ALL FINALLY GO HOME!!!

Rodger: (crying tears of pure happiness)

Little King John: There are many things that need to be erased, and that pink pup was one of them, and we managed to erase her successfully, well done everyone.

Brud: Yaaaaay! We did it!

Bezel: Well... I guess this means the war is over! Bye y'all, see ya in the next lifetime!

(The characters all begin to ascend and return home)

Bezel: WHOOPEE!!

Brud: I feel tingly...

(Cut to Chikn's world)

Bezel: WOOHOO! Bez is back in action, baby!

Chikn Nuggit: Hey Bezel, where the heck have you been? We haven't seen you in forever, Slushi and Iscream were really worried about you...

Bezel: Uhh... don't ask.

(Cut to the literature club)

Sayori: Yuri, what happened? You haven't showed up to the literature club in days!

Yuri: Well... Ummmm...

(Cut to the GLOBE)

Thomas Flyswatter: YES! Now that I'm back, I can continue plotting my revenge on Bugbo! muahahahaha!!

Gerbo: Bugbo... is that the strange man who bugnapped you one bug-year ago?

Bugbo: Correct, it appears as though he's gone mental.

(Cut to John's Kingdom)

Sneezy: Little King John, where have you been? I haven't seen you in a while.

Little King John: ...All I'm going to say was I was in a warzone.

(Cut to Gardenvue)

Toodles: Where were you Rodger? It's been like a kazillion years since I last saw you!

Rodger: (hugging Toodles very tightly and sobbing) I missed you so much Toodles... I'm so happy to see you again, my brave little detective...

(Cut to Sprunki land)

Simon: ... Yeah, I guess we'll have to accept that Brud's completely gone...

Brud: Hai Simon!

(Simon looks surprised)

Simon: It's great to see you dude!! We missed you so much!!!

Oren: But where in Nyanko's name were you? We were all worried sick!

Brud: Uhh... I forgot.

(Finally, it cuts to Hailey peacefully sleeping on the floor, her mind is finally pure again, and she can finally rest.)

The End!
